

ARE YOU A PARENTING STUDENT ATTENDING COLLEGE OR HIGH SCHOOL?

WOULD YOU LIKE TO HELP RAISE AWARENESS AND SUPPORT FOR STUDENT PARENT SUCCESS?

GOT INSTAGRAM?

Would you like to be featured as Student Parent of the Week?

The National Center for Student Parent Programs is currently recruiting volunteers to share their family experience as student parents during spring term 2018. This is an opportunity to share your story, introduce your family, and help to raise national and global awareness and support for student parents.

What's Required:

- You will take over our Instagram Account (@collegewithkids) as Student Parent of the Week for 7 Days starting Monday and ending Saturday. You will post directly at least once per day during the week with photos and captions that tell the story of your daily life as a student parent.
- The week starts with a post that introduces yourself and ends with a signing off post. During the week you will post one or more photos each day that tell about your life and your family's life while you are a student and a parent. You are free to share as much or as little as you wish about yourself at your discretion.
- Photos can be of you, or taken from your perspective, as long as they contribute to telling your story as a student parent. Some people like to post photos of their kids, but this is not a requirement. Everyone can participate at a level of sharing that feels safe and comfortable for them.
- Try to use LOTS of hashtags! Although if you forget, we can add them later. No worries!

To Qualify:

- You must be a parent or guardian of a child (of any age) that you help to take care of on a consistent basis. We also welcome step-parents, godparents, grandparents, and others, who are primary caregivers to one or more children while enrolled in school.
- You must be currently attending high school, postsecondary training, college or graduate school
- **You must have a Smart Phone with the Instagram app, and basic Instagram skills/familiarity.**

To Volunteer:

- **Send a Direct Message (DM) to us on Instagram @collegewithkids to express your interest, or email us at: info@collegewithkids.org**
